August Happenings

Summer in Antioch is always packed full of events such as our weekly FridayFests, Arts & Crafts Faire, our big Independence Day Celebration and Antioch's Taste of Summer. Though our long hot summer is quickly coming to an end and school starting later this month, we still have some of our most popular summer events coming this month. The month begins with great food, first rate auction items and free swimming at the annual **Lion's Club Chicken BBQ and Rescue Squad Auction** at Williams Park from 11:00 a.m. – 6:00 p.m. on Sunday, August 7th. There are also 4 more chances to enjoy **FridayFest**. Excellent family entertainment will take place at the Brook Entertainment Center on Skidmore Dr. every Friday through August 26th. See inside for details.

Congratulations to all Independence Day Contest Winners! Winner of the State Bank of the Lakes 5K Run For Freedom was Mike Egle of Glenview with a time of 16:02 and the fastest overall female was Jodie Meier of Pleasant Prairie, WI with a time of 19:01. The winner of this year's Apple Pie Contest sponsored by Sharefest '05 is Jan Sternberg of Antioch. This year's winner of the float contest is The Chain of Lakes Community Bible Church with their float, "Uncle Phil's Diner". They win the trophy, first place in the parade next year and bragging rights for the whole year. The winner of the First National Bank - Employee Owned Sports Tournaments are: Softball – The Collette & Ano Team, Basketball 3-Point Shoot-Out winners are - Andrew Flick (15 yr. & under division), Dan Ronsman (16 – 19 yr. division), Steve Owens (20 yr. & over division) and winner of the Horseshoe Contest was Stan Mascala & Dave Valloni. The winner of the Bike Decorating Contest was 3 year old Ellena Ferrara who won a Gift Certificate donated by Antioch Schwinn Cyclery. Winner of the Pet Parade was Diana Davis and her Great Dane, Danny who won a gift certificate donated by Best Pets and winner of the Costume Contest was "Little Uncle Sam", Jacob Sutton age 5 who won a gift certificate donated by Antioch Parks and Recreation.

SPECIAL EVENTS AND NOTICES

PUBLIC NOTICE FROM THE DEPT. OF PLANNING & ZONING

Due to the severe drought conditions, **no sod is to be installed**, effective immediately and until further notice. At such time after the weather conditions significantly change, (we anticipate after Labor Day), the ban will be lifted by further Public Notice.

PARKS & RECREATION NEWS

The 2005/06 **Fall & Winter Park Brochure** should be available the first week of September. Please see the back page of upcoming park programs for August.

Antioch residents can now purchase tickets for our 7th annual **Mother/Son Bowling Night**. The event will be held on Sunday, September 18th from 4:00 - 6:00 p.m. at the Antioch Bowling Lanes. Tickets are \$20 per couple (\$10 for an additional son). Two games of bowling, a memorable photo and refreshments (hot dog, chips and a pop) will be included along with shoe rental. Bumper bowling will be made available upon request. Because this is a family event, there will be no smoking or drinking of alcohol allowed. Tickets for non-residents will go on sale on September 6th if still available.

A **Teen Splash Bash** is planned for Friday, August 12th from 8 - 10 p.m. at the Antioch Aqua Center. You must be going into grades 6th - 8th to attend. Please bring your student ID or report card to show that you will be going into grade 6th - 8th. Our DJ will keep the party jumping so you can dance poolside or enjoy fun in the water. The water slide and concession stand will be open. Lifeguards will be on duty. Fee is \$4 for residents and \$5 for non-residents. No passes.

We are now taking registration for our **"Time For Me Two"** parent/tot program for 2 and 3 year olds. These classes are a unique experience between a parent/guardian and child. Classes are an hour and a half on Fridays. Session 1 will begin on Friday, September 23rd and runs for 8 weeks. The fee is \$60 for each 8 week session for Antioch residents. The time for this class is from 9:00 - 10:30 a.m. This class will be held at the Scout House at 770 Cunningham Drive, next to the Saw Mill.

SPECIAL EVENTS DEPARTMENT

The Village of Antioch, Department of Community Services Special Events would like to thank all of the people who helped make this year's Independence Day Celebration a success. Although the Family Fun Games, the entertainment and fireworks display had to be canceled that day due to weather conditions, a great time was had by all those who attended the Run for Freedom, the fabulous parade, the Children's Fun Fair, all the Sports Tournaments and those who indulged in the wonderful summertime food and drinks provided by our non-profit organizations. We would like to thank the Antioch Police Dept., Fire Dept., Rescue Squad, Public Works Dept., Parks & Recreation Dept., and the Independence Day Celebration Committee. Without their support, hard work and dedication, our 4th of July would not be the success it is. We would like to thank all of our sponsors and the hundreds of volunteers it took to put on this event. We thank all the people who came back the next day for the terrific fireworks display. Antioch, you're the greatest!!

DROUGHT RESTRICTIONS

You need to look no further than the grass outside to see first hand the conditions in our area caused by one of the driest summer seasons on record. With the forecast calling for little if any relief the Antioch Fire Department wishes to remind everyone about the restrictions placed on open burning for those residents living in the unincorporated areas, and the sprinkling ban in effect for those residents who live within the Village limits.

The Village of Antioch has put into effect a sprinkling ban limiting both the time and days that a resident may water. Those residents with an **even** address may water on **even days** between the hours of 8:00pm-6:00am and those residents with an **odd** address may water on **odd numbered** days between the same hours. Furthermore the Village of Antioch has temporarily banned the installation of sod within the village, and without a significant change in the weather pattern it will not be lifted until after Labor Day.

The Fire Department has suspended the issuing of Burn Permits for those residents who live in unincorporated Antioch Township until further notice as well.

According to Chief Dennis Volling "With the area as dry as it is, everyone needs to do their part to help conserve the water, in order to insure a sufficient supply for fire protection."

Anyone needing further information can contact the Antioch Fire Department at 847-395-5511

WASTEWATER TREATMENT PLANT NEWS

Though this topic may be unpleasant to some, the subject of upgrading the existing wastewater treatment plant is a priority to the Village of Antioch. The existing wastewater treatment plant was built approximately 40 years ago with some minor alterations in 1990. The plant was constructed when the Antioch population was around 2,000 and presently it handles the wastewater for 11,375 people and additionally services many commercial and industrial users. The effluent requirements have continually become more strict and while the present wastewater treatment plant complies with all current effluent discharge regulations, the plant has struggled to keep its effluent within those parameters. The Village of Antioch's wastewater treatment facility is currently on the Illinois Environmental Protection Agency's critical list because it is nearing its design capacity.

The Village hired Applied Technologies, a consulting engineering firm, to write a Facility Plan Report, to determine the most cost-effective way to improve and expand the plant. They investigated repairing and enlarging the existing plant, building a new plant at the present site, building a new plant at a different site and pumping our wastewater to Lake County. The cost effective alternative was to build a new plant at the existing site. This new plant would eliminate most of the odors from the facility, eliminate the hazardous chemicals that the existing plant uses, be buffered with landscaping from the residential area and give the Village a 25% increase in flow. It is estimated that this new plant, including engineering, would cost around \$ 15 million. The plant enhancement would be funded by Illinois Environmental Protection Agency low interest loans (approximately 2%) over 20 years. The Facility Plan Report will be submitted to the IEPA and the Northeast Illinois Planning Commission for review. Design on the new plant will be started this summer and it is anticipated that the new plant will be put in operation in early 2008.

ANTIOCH RESCUE SQUAD NEWS

The Antioch Rescue Squad with the generosity of Antioch Schwinn, Antioch Township and State Representative JoAnn Osmond has placed into service, two bicycles to be used at all outdoor events during the summer months in Antioch. The bikes are stocked with first aid supplies for minor accidents and injuries. Each bike also carries an AED, thanks to Representative Osmond. Visitors to our parks during the summer will probably see our Rescue members passing through. They will be there to provide any basic first aid needed. If anything they encounter requires advanced care, they will call for an Advanced Life Support team. The Rescue Squad thanks all residents for their support.

ENERGY CONSERVATION TIPS FROM THE BUILDING DEPARTMENT

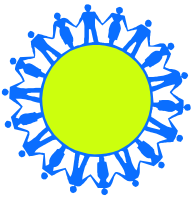

The Building Department has some ideas to share with you to help keep those electric bills down without sacrificing comfort:

1. Close blinds on windows. This will help to keep out direct sunlight and reduce heat gain.
2. Use a dehumidifier in your home. This will take out a lot of moisture out of the air which will allow you to keep the thermostat set a bit higher and still have it feel like the lower to mid- 70 degrees.
3. Turn off water supply to your humidifier.
4. Make sure the attic is properly ventilated to allow the heat to escape and adequately insulated to help retain the cool temperatures of the living space.
5. Use a programmable thermostat. This allows you to set it to a higher temperature while you are away and to cool the home for your arrival.
6. Install high efficiency windows, or place a sun reflecting tint, (such as manufactured by 3-M), on existing windows.
7. Between hot days if we have a cool night, keep windows shut to keep out the humidity. After sundown, turn off the air conditioner, but run the fan to circulate the dryer cool air inside the house. At sunrise, turn the air conditioner back on.

SIX FLAGS GREAT AMERICA TICKETS

As a community service, Six Flags Great America tickets can once again be purchased at the Parks and Recreation Office at 806 Holbek Dr. The Parks Office will sell adult tickets at a cost of \$ 33.50, child tickets (under 54") for \$29.50 and Two Day General Admission Tickets at \$49.00. Children 3 and under are free. This is a great way to avoid the long ticket lines at the park and also to get your tickets at a much lower cost.
